HMSA's PPO and HMO Plans

Summer 2014

An Independent Licensee of the Blue Cross and Blue Shield Association

We've arranged with the pharmacies in this directory to give you affordable, convenient prescription drug coverage. By filling your prescriptions at participating pharmacies, you pay only the copayment listed in your plan benefit brochure. Just show your HMSA membership card to participating pharmacies.

This benefit also applies to most health center physicians who provide prescription drugs.

IMPORTANT: Check your plan benefit brochure.

You **must** have prescriptions filled at a participating pharmacy to have drug coverage unless your drug plan includes benefits from nonparticipating providers.

This list is current as of this printing. For an updated list, please call your local HMSA office or visit HMSA's website at hmsa.com.
